

GreenX OneFlat Bauschlauch

Flat construction hose made of polyester fabric, PVC-coated on the inside. Ready-bonded with APD Connect aluminium Storz couplings. End protection collars.

Very high compressive strength, good abrasion resistance, very robust. Other lengths and diameters on request. Packaging: individually in carton

Applications: In the construction and industrial sectors. For pumping out of water, e.g. in case of flooding or on construction sites. As pressure hose after the pump in flood boxes.
